Situated in a 500-year-old palace in the charming Lesser Town, Alchemist Grand Hotel & Spa will provide a stylish venue for our first mixer after the summer break. If we are fortunate to have a warm late summer evening we can congregate in a courtyard garden before retiring to the Crystal Room for the later hours. Those who have not yet been to this very special hotel will be invited to a tour of the premises, including the exquisite Spa.

We look forward to seeing you there!
